This directory provides a list of University Healthcare Marketplace (UHM) network providers. To get detailed information about your health care coverage, please see your Individual Comprehensive HMO Insurance Policy also known as an Evidence of Coverage.

As noted in your policy, you will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP.

The "network providers" listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. Other physicians/providers are available in our network and a full listing is available at www.uamarketplace.com.

In some cases, we may cover certain health care services that you receive from non-network providers. These services include care for medical emergency or urgently needed care that you get when you are outside the plan's service area; care that has been approved in advance by us and any services which were approved to be covered through an appeals process. Emergency or urgently needed care does not include care that could have been foreseen before leaving the immediate area where the Covered Person ordinarily receives and/or is scheduled to receive services. If a non-network provider asks you to pay for covered services while in any of these cases, please contact us.

You must use plan providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, University Healthcare Marketplace will not be responsible for the costs.

How do you find University Healthcare Marketplace providers in your area?

2015 PHARMACY DIRECTORY

This pharmacy directory was updated November 2014.

This booklet provides a list of University Healthcare Marketplace (UHM) participating pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review UHM's Evidence of Coverage and Formulary.

We call the pharmacies on this list our "participating pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under UHM only if they are filled at a participating pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our participating pharmacies.

All participating pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be participating, or there may be newer pharmacies that are not listed. This list is current as of November 2014. 2015 DIRECTORIO DE FARMACIAS

Este directorio fue actualizado en noviembre de 2014.

Este directorio le proporciona una lista de farmacias participantes de University Healthcare Marketplace (UHM, siglas en inglés). Para obtener una descripción completa de su cobertura de recetas médicas, incluyendo como rellenar sus recetas, favor de consultar la Evidencia de Cobertura y Formulario de UHM.

Nosotros denominamos a las farmacias en esta lista nuestras "farmacias participantes" porque hemos hecho arreglos con ellas para que surtan medicamentos con receta a nuestros miembros del plan. En la mayoría de los casos, sus recetas están cubiertas bajo UHM únicamente si se surten en una farmacia participante o a través del servicio de farmacias de pedidos por correo. Una vez que surta a una farmacia, no se le requiere que continúe surtiendo su receta en la misma farmacia, pero puede elegir otra de nuestras farmacias participantes.

Todas las farmacias participantes pueden que no se encuentren en este directorio. Las farmacias pueden haber sido agregadas o eliminadas de nuestro directorio después de haber sido impreso. Esto quiere decir que las farmacias nombradas aquí puede que ya no participen, o puede que se encuentren nuevas farmacias que no estén nombradas. Este directorio se encuentra actualizado a partir de noviembre de 2014. Para el directorio más actualizado, comuníquese con nosotros.

Puede obtener medicamentos con receta enviados por correo a su domicilio a través de nuestro programa participante de pedidos por correo. Para más información, favor de comunicarse con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Si tiene preguntas acerca de cualquier cosa mencionada anteriormente, favor de consultar la columna derecha para información de como comunicarse con UHM.

Farmacias de Pedidos Por Correo

Puede obtener medicamentos con receta enviados por correo a su domicilio a través de nuestro programa participante de envíos por correo. Normalmente, debe recibir sus medicamentos dentro de 7 a 10 días de la fecha en que la farmacia de pedidos por correo recibe su receta; sin embargo, hay envíos rápidos disponibles. Si no recibe su(s) medicamento(s) con receta dentro de ese plazo, favor de comunicarse con nosotros al 1-855-231-9236 / TTY 711 de lunes a viernes, de 7:30am a 5:00pm.

Para la información más actualizada u otras preguntas, favor de comunicarse con el Centro de Atención al Cliente.
