You shouldn't have to choose.

With health care costs the highest they've ever been, a simple trip to the doctor could cost you everything you have. That's why at Community Health Plan, we're making quality medical insurance more affordable for thousands of people in Washington state. In our opinion, the price of health care should never be your dignity. Call 1-800-440-1561 or visit www.chpw.org to learn more.
